ABOUT US

We've been instrumental in creating web presence for several companies- from large corporate houses to small startup companies.

Conceptualized by **Mohamed Jahfer Sadiq** in 2013 in Jeddah, Saudi Arabia, **Weglitz** (Earlier known as **Gulfglitz IT Solutions**) has been a pioneer and a leading comprehensive website development & online marketing service provider in the global arena. Awarded as the "Most Promising Web Designing Company in Jeddah, Saudi Arabia the company has taken a major leap to become a 360°online service provider, encompassing the wide gamut of services, including Web development, eCommerce Websites, Digital marketing, Social media marketing, custom portals & mobile apps development.

Our greatest strength is our team of skilled personnel, our unique ways of creating compelling solutions and our strength to deliver scalable and viable results for our clients. But most importantly... it is our perseverance and patience to understand the client's objective and our zeal to keep up with the international trends that has helped us carve a niche for ourselves and our clients!

WE ARE WEGLITZ

We are a Digital Marketing Agency located in Jeddah, Saudi Arabia. We use digital channels to bring measurable and actionable solutions to our clients. We understand the driving role of digital as it relates to the marketing mix and have the insight and experience to activate it. It's who we are. It's how we live.

Measure twice cut once? We prefer to measure a thousand times and cut once. We provide Digital Marketing solutions with a heavy emphasis on sound strategy prior to execution. We'll never recommend a program or tactic that doesn't meet the goals of your organization.

Web design should be three things: human-centered, compelling and future-proof.

At **WeGlitz**, we don't believe in being just another web design company. We believe your website is the natural extension of your brand's story that sets the tone for your online presence. Great web design pushes the boundaries between a static three column layout and gives users an immersive digital experience. Great design is not created in a vacuum. Our designers dive deep to immerse themselves in your industry and your brand aesthetic. Our collaborative process involves you and your team every step of the way, ensuring that your new site is something that truly represents you and your business while also achieving your goals.
